

## Tuesday Hikes!

### **NFLL TRAILERS Spring 2023 Hikes**

**(Hikes & meeting places may change. Updates will be emailed each week)**

- Trailers hikes are intended to be easy, with occasional moderate sections for short distances. Hikes will usually be between 2.5 and 4 miles long, with elevation changes of less than 400 feet. The objective is a fun recreational hike enjoyable to most hikers in reasonable condition.
  - All hikers must be registered for the class and sign a Maricopa Community Colleges Risk Form before participating. If you sign the new form in Fall 2021, you are good to go.
  - Although every precaution will be taken to assure safety, participants must recognize that hiking can be a dangerous activity. Hikers should be in reasonable physical condition and know their limitations.
  - Hikers will get more information during the week preceding each hike. The schedule may change, so please check for the latest information.
  - **We try to accommodate the wishes of the Trailers (i.e. keeping most of the hikes in the Valley, keeping the length and elevation within reasonable limits)**
