

Trip to Lake Havasu City

April 25 – 27 2023

THIS ACTIVITY IS NOT SANCTIONED BY MESA COMMUNITY COLLEGE OR NEW FRONTIERS FOR LIFELONG LEARNING. PARTICIPATION IS SOLELY VOLUNTARY.

We are planning a trip to Arizona's Coast at Lake Havasu City. The trip is open to anyone – New Frontiers members, their family, friends, acquaintances and anyone else who might be interested. The trip will be two days, one night with the options of an additional night and day.

Activities available include:

- Hiking – We have identified two moderate hikes that offer scenic views and recreational exercise (Mallard Cove via East Rim Trail Loop, Blue Trail and Lizard Peak Loop)
- Nature enjoyment and bird watching in the Bill Williams River National Wildlife Refuge.
- Sightseeing – Visit London Bridge, stroll the waterfront, the island or enjoy an afternoon on the beach.
- Kayaking – Options including a tour on Bill Williams River, the Waterfront, or Topock Gorge.
- Cruise – See the sights of the City on a harbor cruise, visit scenic Copper Canyon, Topock Gorge, or perhaps a sunset dinner cruise.

After determining those interested, carpooling will be arranged and will we determine lodging and tour options.

If you are interested in attending, please respond by **March 30th** to Greg Master (gamst51@gmail.com) or Marie-France Ganansia(mariefranceganansia@gmail.com).
